

# SMITH MOUNTAIN LAKE ACBS SPRING 2015 WORKSHOP

**Date:** Saturday, May 2nd, 2015

**Place:** Bill Garrecht's shop, Toler's Ferry Rd., Moneta, VA

**Time:** 9 AM to Noon (doors open @ 8:30 AM)

**Cost:** \$5.00 USD. which includes coffee, donuts, and lunch.

## **Topics to be covered:**

**John Rieth** will discuss what's involved in replacing an aging bottom on a 1955, 20 ft. Century Coronado and why he chose to go with the 3M-5200 method vs. traditional or epoxy or fiberglass.

**Bill Garrecht** will get us up to date on all the progress on his Chris Craft Capri. After a total wood replacement, it's all faired and ready for some color and final finishing.

**Eric Zelman**, from Leesburg, VA will talk about steering wheel restoration and casting new emblems after a total restoration on his Wagemaker Wolverine outboard boat.

**Alan Frederick** will guide you thru adjusting wood planers, jointers, and band saw plus will delve into the mystery of fasteners and threads.

It's Spring here at Smith Mountain Lake so before the boating season gets underway, take a few hours off and join us all for this informative workshop. The best \$5 investment you'll ever make.

**Note:** There are no bathroom facilities at the shop but are available within a 2 mile drive. Best to bring your own chair for the event.

Call Alan Frederick @ (540) 352-8653 for more information.
