SMITH MOUNTAIN LAKE CHAPTER - ACBS

September 29, 2012, 9:00 AM to Noon, (Doors open @ 8:30 AM)
Alan & Jean Frederick's house, 1100 Oakshire Lane, Wirtz, VA
Parking on site plus limited docking in back of cove opposite B-25
\$5.00 donation includes AM coffee and donuts plus lunch at noon.
For personal comfort, please bring your own folding chairs.
All captains and mates welcome for an informative and fun time.

Presenters include:

RON ROOT from Charlottesville, VA who will give a talk on wooden canoes including construction methods and what's involved in getting started on your own restoration or new build.

DOUG HOLT from Union Hall, owner of Smith Mountain Lake Composites, 255 Brooks Mill Rd. He will guide us through the basic steps in restoring the "Classics" that many members own. A boat builder by trade with 30 years of experience, he began his career in the yacht yards of Cape Cod, MA.

ALAN FREDERICK will give a brief presentation on the restoration of his 1921, 16-1/2 ft. Disappearing Propeller Boat, affectionately known as a Dispro or "Dippy".
In addition, he will show the steps involved in how to bleach/stain/finish a blonde deck.

DAVE VAN NESS A brief discussion on how Dave overhauls an engine from the time it enters his shop until it leaves.
He will also demonstrate how to adjust a Paragon transmission used in many of our classic boats.

NAUTICAL AUCTION -

Everyone is encouraged to bring any and all of your nautical "treasures" that will be auctioned off after the lunch break. All proceeds will go to the club treasury so dig out all that "stuff" that your wives have threatened to throw out PLUS bring lots of cash so you can also go back home with more goodies to replace the items you brought.

Call Alan @ (540) 352-8653 for more information if needed.
